

# PLAY SAFE. STAY SAFE

**We're so very happy to have you back and have missed our days being filled with the fun and laughter of you all. Working together we can all help keep each other safe and enjoy time with family and friends. If you're unsure of anything at all, please just let us know, but here are a few things to expect.**

- Please book online if you can. Just follow the link from our website or visit [opentable.co.uk](https://opentable.co.uk). You can also call us on 01524 587 117 or message us on Facebook or email.
- If you can't manage to book in advance, please wait at the front entrance and we'll come and get you.
- We'll show you straight to your table. All your cutlery, drinks, menus and condiments will be served safely to you.
- We do need to keep your contact details and date of visit on file in case the government need to contact you. We'll keep them safe and you can request to delete them after 21 days of your visit no problems at all.
- We have two ways of accessing our menus. You can view them on your phone using the QR codes at the bottom of this notice OR you can have disposable menus/place settings. Please just let us know which you'd prefer.
- If you can pay contactless card then we'd be super grateful. All of our staff receive their tips, regardless of cash or card.
- A bit like the dodgems, we're one way round the track now! You enter through the front of the building and exit through the side. Our super team will show you which way to go.
- When moving round please help do your bit by keeping a safe distance and letting others past.
- We know little ones can get excited out and about, please help keep them and others around them safe by supervising.
- When visiting the loos there are now maximum capacities, please just check before entering.
- Remember that all of us are only allowed to meet up with one other household indoors or outdoors at the moment (plus support bubbles) or 6 people from different households outdoors. We're not allowed to take group bookings of more than 30 people sorry.
- We have hand sanitisers for you when arriving and leaving. Please feel free to use them whenever you need to.
- You don't have to wear a mask but you are very welcome.
- We can't take orders at the bar at the moment sorry, please place orders for any drinks or food with your server.
- Excuse us if we seem to be cleaning a lot, keeping the music down and propping any doors open - it's our new normal for the moment and we're working hard to keep you safe.
- When you book a table, this could be in the bar or main restaurant area. Please let us know if you have a specific preference.

**MOST IMPORTANTLY, PLEASE HAVE FUN AND ENJOY YOURSELF WITH US. RELAX, LET US SERVE YOU, TAKE IN THE VIEWS, ATMOSPHERE, FOOD AND DRINK THAT YOU KNOW AND LOVE FROM US.**
